Addendum to 2016 -17 Bus Transportation Financial Contract

This document serves as an addendum to the primary 2015-16 Bus Transportation Financial Contract which is attached. Based on ridership demand ELCA has chosen to allow 1-way bus service on the Conyers route for a modified cost of \$1,125. This fee will be paid with an initial \$300 deposit, with the balance paid at a rate of \$82.50 per month per student for a 10-month period (August-May). The person financially responsible on the contract is required to list below if their student will be utilizing the morning or afternoon route (and this is not allowed to be modified or changed once executed and accepted for this bus service by ELCA). ELCA's goal with this program is to secure 2-way riders, so if at a later date another student requests 2-way service, the financially responsible person of the 1-way rider will have 48 hours to either upgrade to the 2-way service and pay the modified 2-way fee for the remainder of the academic year, or lose their spot on the bus with no additional required payments for the remainder of the contract term. All terms and conditions stated on the Tuition Financial Contract and the primary 2015-16 Bus Transportation Financial Contract apply to this addendum.
