## NOTEWORTHY PROGRAMS

**Student Leadership Institute:** ELCA Student Leadership Institute is a voluntary, yearlong program opened to all students in grades 9 through 12. Students must apply for entrance to the program. The program consists of 4 basic parts: Group sessions, Leadership Training Modules, Campus Connections, and Christian Service.

**ELCA World Impact:** ELCA World Impact extends curriculum beyond the classroom to provide students with cultural, educational, and ministerial experiences both locally and around the world. Some of the trips offered for 2015-2016 include: Alaska, Costa Rica, Jamaica, New Orleans, Nicaragua, Italy, San Diego.

**ELCA Connect:** Eagle's Landing Christian Academy encourages families who desire a non-traditional approach to education to become a part of the ELCA family through the ELCA Connect program. This online experience is tailored to give home-based students strong academic curricula with a biblical worldview while providing access to ELCA's renowned extracurricular programs. If a traditional ELCA student desires to take a class not offered within traditional ELCA curricula, they may take that class in the ELCA Connect program if approved by the Academic Dean.

**Student Support Services/MERIT:** (Multi-faceted Educational Resources and Instructional Technology) provides assistance to our students who have diagnosed, documented learning differences. Students who are served by the MERIT Program must be identified through a multi-faceted evaluation as exhibiting a learning difference that significantly impedes their academic progress. A current (within the last three years) comprehensive evaluation of the student's cognitive, academic achievement, social, behavioral, etc. domains must be on file at the school.
